• **COMMENTS AND QUOTES** about Giorgio Magnanensi

- *"A composer, musician and conductor of great talent and one of the most interesting personalities of the Italian generation."*
– Franco Donatoni, Composer (S. Cecilia National Academy of Music, Rome, Italy)
- *"Due to his value as an artist, his knowledge of contemporary music, his intellectual breadth and organizational capabilities, Giorgio Magnanensi is certainly one of the most relevant figures on the international contemporary music scene."*
– Dr. Giordano Montecchi, Musicologist and Music Historians
(State Music Conservatory "Arrigo Boito", Parma, Italy)
- *"[...] Giorgio Magnanensi, dont la partition d'un pointillisme léger aux transformations de timbre incessantes dans l'infiniment petit, révèle une étonnante richesse d'écriture et produit une impression de rêve lointain, de légende intérieure, poudroyante à l'infini."*
(about Áuos, for large orchestra)
– Jacques Lonchamp, Music Critic (Le Monde, Paris)
- *"Dear Giorgio, in the six years I've been running the orchestra, the Buffy Remix is, without question, the best thing we've ever presented to an audience. It's a stunningly beautiful piece of music."*
– Denise Ball, CBC Radio Orchestra Producer
- *"His style disperses the ego-command model of western composition into an assemblage without centre or maybe with a myriad of them, evolving in relationship rather than static form."* (about Buffy Remix)
– Carl Wilson, Music Critic (The New York Times, The Globe & Mail)
- *"The advisory committee strongly commended the leadership of Giorgio Magnanensi, citing his exceptional gifts as a composer and musical visionary. Under his direction, VNM has changed the landscape of music in BC."*
– Jeremy Long, British Columbia Arts Council
- *"The artistic direction was judged to be excellent, with many unique and creative ideas, as well as excellent initiatives to bring greater impact to the organization's work. The Artistic Director specifically was described as a tireless champion of new music who is "on the ground" solving problems and generating interest at a grassroots level."*
